

PROVIDENCE

Preschool Application Process

Once you have submitted an Application Card and \$50 Application Fee to Providence School, you will receive a confirmation email. After February 1, or as soon as possible, we will contact you to discuss the enrollment options. Space may not be immediately available but could become available up until the first day of school. Early application is one of the enrollment consideration factors.

Our preschool is designed to nurture children as they develop in both age and maturity. Therefore, classroom placement is determined by both chronological and maturational readiness. For this reason, you may be asked to bring your child to campus to spend time with children and teachers as we determine the appropriate classroom: Room 1, Room 2, or Pre-K.

When considering candidates to fill a space in our preschool, we examine a variety of factors including gender, desired enrollment days, and chronological age. Additionally, because we are a school that serves students from preschool through 12th Grade, we prioritize families who intend or are open to staying throughout our program. If you would like to learn more about the Providence K-12th Grade program, please contact our admissions office.

Your child will remain in the applicant pool for the entirety of their preschool eligibility. If at any time you wish to be removed from the applicant pool, please let us know. If your desired enrollment days change at any time, please contact us to update your preferences.

Occasionally we are able to admit students for January enrollment. Please indicate on your Application Card if you are interested in January enrollment. Due to our program and structure, we do require students to be toilet-trained.

Please do not hesitate to contact us with any questions: jdavis@providencesb.org, (805) 962-3091

----- *Please complete and return the Application Card below with \$50 Application Fee* -----

PRESCHOOL APPLICATION CARD

Child's Name _____ Date of Birth _____ Girl ___ Boy ___

Please circle preferred extended days (8:30am-2:45pm) M T W Th F

It is the desire of Providence School that all students experience the Providence difference from the developmental preschool years through the formative high school. As we consider families for preschool, we prioritize those who share our vision and intend to enroll in the K-12th Grade program. Are you interested in:
