PRESCHOOL SUBSTITUTE TEACHERS NEEDED

Providence seeks preschool substitute teachers who will support classroom teachers in providing a safe, fun, and developmentally-appropriate preschool experience aligned with Providence’s commitment to incorporate Christian values in the learning process. Under the direction of the preschool faculty, the substitute teacher will support the classroom routines and provide positive guidance to meet the physical, emotional, intellectual, and social needs of young children including developing activities to introduce math and literacy concepts.

The ideal candidate will have experience working with preschool-aged children in a school or church environment. Additional requirements are a passion for biblically-centered education, the desire to teach and mentor students at the preschool level, and excellent communication skills with students, parents, and members of the community.
