

Celebrate Providence!
Friday March 15, 2019 at the Rosewood Miramar Beach

Founded in 1958, Providence School has been educating children in the Santa Barbara community for over a half century. Our motto, "Truth, Beauty, Excellence," describes our goal—to provide an ethos where the highest quality of education can be integrated with solid spiritual grounding. Having recently merged with El Montecito School the impact of our core values is even stronger, enabling students to thrive in the world around them: academically, socially, emotionally, physically, and spiritually.

Providence School will host a gala fundraising event on March 15, 2019, at the long-awaited reopened Miramar Resort in Santa Barbara, CA. This is our biggest fundraising event of the year and will gather much publicity and attention from the greater community, especially with the historic changes to Providence School in Santa Barbara

This Celebrate Providence! event is a critical source of financial support for our school, and a means to offer tuition assistance so that we can provide this unique educational opportunity to a diverse community of students. We are grateful that the event has been such a tremendous success over the years. Support from businesses and organizations like yours has always made a difference.

As always, we strive to be fiscally responsible and to keep our costs as low as possible for this event.

We seek to offer an array of items and services that are appreciated by our families and that will help support our event. What better way to advertise your company than at an event where the school population notices and cares about the businesses that help? If you are able to donate, we ask that you let us know by February 28, 2019.

Should you have any questions regarding underwriting, please contact Colette Nottage Crafton at (805) 252 9226 or colettesb@gmail.com

Your consideration of this request is deeply appreciated, and I look forward to hearing from you soon. On behalf of the children of Providence School, I would like to thank you in advance for your support. Your generosity will have an impact on the education and character of the next generation.

Warmest Regards,

Colette Nottage Crafton
