Parent Association

pizza Fridays

Pizza is ordered differently this year! Pizza will still be pre-ordered and pre-paid for the full semester and students choose the number of pizza slices and their flavors (pepperoni or cheese). If, however, a student is absent and cannot eat their ordered pizza, remember that dollars spent are still a gift back to our school!

What's different? A pizza order will automatically include every Friday on which pizza is offered - not self-selected Fridays. So...now parents, students, and parent volunteers never have to try to remember which Fridays they signed up for pizza! Hooray! Your pizza order will be the same each time, and students will always have their pizza ready for them.

Pizza Fridays is a wonderful benefit for everyone... in addition to providing a fun, hot lunch one day a week, it also raises money for Providence. Last year, the Parent Association provided tech equipment, a set of chrome books, a mobile podium, a spectrophotometer, a DVD player, a senior class excursion, new track jackets, and new volleyball uniforms for Providence! Faculty, staff and students are supported beyond what tuition and fees can pay for.

How do we order and what does it cost? It's so much easier than before! Simply fill out your selection below and return the form to the office with your check no later than Wednesday, January 9th. Slices are \$2 each. (Sodas are also available at school for purchase any Friday desired.)

Which Fridays? Your order will provide pizza for every Friday this semester starting 1/11 and ending 5/31 with the exceptions of 2/15 and 4/19. This is a total of 18 Fridays.
